Office Note

Letter No 634 of the 25th April 1901 from the Deputy Commissioner (President of the Municipalities), Kaduna District.

Non-submission of copies of proceedings of meetings of the Sminggeri Municipal Board to the Deputy Commissioners' Office

---

In Government Proceedings No 12660-1 of the 27th March 1901, LH 32.99 it was ordered that the Deputy Commissioner of the Kaduna District should be considered as adviser to the Sminggeri Municipality and that all communications addressed from the President of the Municipality to Government should be transmitted through the Deputy Commissioner, except in the case of minutes of

the Board which alone might be submitted direct to Government, Copies thereof being sent to the Deputy Commissioner for his information. In confirming with their order, the President used to submit Copies of the Proceedings of the Board through the Deputy Commissioner. The last copy so received was the one relating to the meeting of the Board held on the 30th July, 1901 on which the Government passed orders in their Proc No 5975 dt the 8th October 1901 LR 37 99 directing the President of the Municipalities in the Kadur District not to submit Copies of proceedings of minor Municipalities to this office unless specially called for hereafter the President of the Shimoga Municipal Board was cautioned in submitting Copies of proceedings of the Board

- to

to the Deputy Commissioner.

On the 1st August 1902 the Deputy Commissioner (Mr B. Krishnamurthy) enquired the President, why they were not forwarded to his office for information, but he referred the Deputy Commissioner to the order of the 8th October 1901. Then the Deputy Commissioner pointed out to the President that the order in question directed the discontinuance of the copies of Proceedings of the Board to Government but it did not cancel that portion of the order of the 27th March 1901 requiring the copy of proceedings bearing Submitted to his office for information, and requested him to send them in future to his office. The President not having complied with the above requisition, the Deputy Commissioner (Mr M. Narain Rao) drew his

his attention to the above ~~fact~~ communication from his Office and called for copies of the proceedings of the Board, but the President again referred to the order of the 8th October 1901, and stated that as the submission of the proceedings of the Board under which Govt was discontinued, he has not been forwarding copies of the same to his Office and that "unless and until that point "is cleared, copies of the Proceedings "will not be sent to your Office

The tone of the 21 Presidents' communication to the Dr Commissioner is highly objectionable. The order No 5975 dated 8th October 1901 relied upon

Say the President makes no mention about discontinuing the submission of the copy of the Proceedings of the Lucknow Municipal Board to the Dr Commissioner who is the adviser of the Municipality, but merely lays down that such copies need not be sent to Govt unless specially called for. If the President refuses to send copies of the Pro: to the Dr Comm: it is not understood how the latter could give his advice to the Board. If approved, the President may be asked then the Dr Commissioner to withdraw his letter and to comply with all the requisitions received from the Dr Comm: as the Executive head of the District & the adviser of the Municipality.

Sir,

In forwarding letter no: 18 of the 31st august 1900 from the President of the Shimoga Municipality requesting that the relations between the President of the Municipality, Shimoga, and the Deputy Commissioner — Kadur District, may be clearly defined, I would request to be allowed to suggest, that Mr. Carr's proposals may be given Effect to, Viz: that the Deputy Commissioner may be considered as adviser to the Shimoga Municipality, and, that all minutes and returns be forwarded through the — Deputy Commissioner to allow of the Deputy

Deputy Commissioner being kept informed of all movements and resolutions of the Singeni Municipality, so that, a uniformity of the Proceedings may be maintained throughout the District and to allow of the incorporation of the returns in the District returns, as otherwise, it will necessitate the Government treating the Singeni Municipality as a Separate District and passing Special orders.

Sir

I have the honor to request that you will be so good as to place before the Government the following matter regarding this Municipality.

The Municipality was, as you are aware under the management of the Deputy Commissioner, Kadur District as President till Septr. last 1899.

Bring up for notice
4/9/00

Let it be with
Crossing letter.
6/9/00

Government, in Proceedings No. 3607-9
L.F. 51-92
dated 14th September 1899, were pleased
to appoint the Agent of the Srirangeri
Mutt as President in place of the
Deputy Commissioner, being of express.
opinion that this arrangement would
greatly tend to improve Municipal
Management in Srirangeri. In the said
Proceedings, the Government did not
in any way restrict the duties and
powers of the new President nor did
they create any special relation between
him and Deputy Commissioner Kadur
District, beyond what exists between
the Presidents of two independent
Municipalities. Accordingly my first
letter to you was submitted direct and
was not to have been accepted. But my

second report viz: letter No 23 dated

3rd January 1900. which was likewise

submitted direct was returned to me

with the instruction that all such —

communications should invariably

be addressed through the Deputy

Commissioner, Kadur District. (Vide

your Office docket No 8115/32-99 dated 17th

January 1900.) Since then all commu

-nications to Government are being

Submitted through the Deputy —

Commissioner. The Demand Collectio

and Balance Statement and other

accounts, however, are being submitted

direct to the Comptroller. But your

official Memorandum No 2169 dated

L J 14-2-96

14th Instant directs that the Demand

Collection Balance Statement &

the list of Municipal Meetings should
be forwarded every month to the
Deputy Commissioner to be incorporated
in the Statements for the District. In
forwarding copy of the above, the Deputy
Commissioner wants me to forward to
him all the returns which prior to
September 1899 were being omitted
by the Vice President.

2° This seems to imply that the relation
which existed between the Deputy
Commissioner and this Municipality
prior to September 1899 should still
continue to a great extent which, I
believe is not the intention of Government.
There will be no objection to submit,
so directed, these Statements to
Government through the Deputy Commissioner
just like other communications.

3 Under the above circumstances
belive it is very necessary that Gover
-ment should once for all define my
duties and powers and also my rela
to the Deputy Commissioner Kada
District. Therefore I request you
to be so good as to place the matte
before Government and to communicat
their decision to me.

I have the honor to be
Sir.
